Somewhere Between Right And Wrong

Opener/Break/Closer: (Sides Face Grand Square)

Well I met her in a small town bar not far from home
She was having second thoughts about a man who was always gone
Allemande Left and Weave the Ring
Said the only way to get to him was the telephone
Swing and Promenade
So she held on to me when she couldn't hold her own

Figure:

Well the Heads Square Thru go Four hands around
You meet that corner lady now do a Dosado
Swing Thru tonight and let the Boys Run Right
Then Couples Circulate and Chain Down the Line
Come on Pass the Ocean then All Eight Circulate
Oh, Swing your corner lady and Promenade the way
And be here in the middle
Somewhere between right and wrong

Tag: (Swing her boys)

And be here in the middle
Somewhere between right and wrong
