Honky Tonk Christmas

Opener: (Sides Face Grand Square)

Pretty paper, it's playing on the jukebox
And mistletoe is hanging by the bar
Allemande Left and Weave the Ring
I want to thank you girl for this broken heart
Swing and Promenade
Merry Christmas girl, where ever in the world you are

Figure:

Heads Square Thru four hands you go 'round now!
Find the corner lady here, do a Dosado and make a wave
Swing Thru and Boys Run to the Right
Ferris Wheel and Centers Touch 1/4, look left
Swing the corner girl, Promenade
But I'll be over you by New Year's Eve

Break: (Sides Face Grand Square)

Blue Christmas, turn it up I want to hear it!
I can unwrap all the memories in my mind
Allemande Left and Weave the Ring
Hey Joe, pour me some Christmas spirit
Swing and Promenade
Merry Christmas girl, where ever in the world you are

Closer: (Sides Face Grand Square)

Christmas music playing on the jukebox
All these silent nights are killing me
Allemande Left and Weave the Ring
I'll have a honky tonk Christmas
Swing and Promenade
But, I'll be over you by New Year's Eve!
