## Santa's Gonna Come In A Pickup Truck

### Opener: (Sides Face Grand Square)

Well I've been sorta worried about Santa Claus this year  
'Cause we live down south and it didn't snow down here  
NUT I'm telling you not to worry 'cause I just got the word  
Everybody listen closely and I'll tell you what I heard. (Circle Left)  
Santa's coming in a pickup instead of his trusty sleigh  
Do an Allemande Left, Swing and we'll all Promenade,  
'Cause the weatherman had some problems, he couldn't get snow you see  
Santa's gonna come in a pickup truck when he visits you and me.

### Figure:

Heads Promenade go Halfway around the ring,  
Down the middle and Square Thru four hands I sing,  
Go all the way and Swing Thru the outside two  
Then Boys Run Right and Ferris Wheel tonight  
Centers Square Thru Three hands around and Swing,  
Swing that corner girl and you Promenade that ring  
'Cause the weatherman had some problems, he couldn't get snow you see  
Santa's gonna come in a pickup truck when he visits you and me.

### Break:

Four Ladies Chain go straight across the ring,  
You Rollaway and Circle Left I sing,  
Four Ladies Rollaway and Circle Left that way,  
Allemande Left the corner and Weave the Ring.  
Santa's coming in a pickup instead of his trusty sleigh  
Do an Allemande Left, Swing and we'll all Promenade,  
'Cause the weatherman had some problems, he couldn't get snow you see  
Santa's gonna come in a pickup truck when he visits you and me.

### Closer: (Sides Face Grand Square)

Santa can't bring his reindeer, he'll leave them far away,  
But don't you worry 'bout him, he's gonna be here Christmas day  
He's got a big red pickup with four wheel drive and all,  
And there's going to be a Merry Christmas, Merry Christmas for all (Circle Left)  
Santa's coming in a pickup instead of his trusty sleigh  
Do an Allemande Left, Swing and we'll all Promenade,  
'Cause the weatherman had some problems, he couldn't get snow you see  
Santa's gonna come in a pickup truck when he visits you and me.
