Love Is The Best Thing Going 'Round

Opener/Break/Closer: (Sides Face Grand Square)

Some folks live a life of unhappiness
Looking for the goal they've never found,
Although they're educated, they don't seem to know,
That love is the best thing going 'round (Circle Left)
That love is the best thing going 'round
Left Allemande, Swing and Promenade the town
No matter if you live country or town
Love is the best thing going 'round

Figure:

Heads Square Thru go four hands 'round
'Round the corner girl Dosado,
Swing Thru, Spin the Top,
Boys move up and do the Right & Left Thru,
Square Thru Three Quarters 'round,
Swing the corner and Promenade,
No matter if you live country or town
Love is the best thing going 'round

Additional Lyrics:

They think wealth alone will unlock every door,
They live as if they'll never need a friend.
I've heard it said we never get too old to learn,
Who knows they might cry out in the end.

I just want to live and be the best I can.
And I'm gonna try and do it come what may.
And if I ever make it to Saint Peter's gate,
I'll shake his hand and I'll believe he'll say,
