## I Brake For Brunettes

### **Opener/Break/Closer:** (Sides Face Grand Square)

I brake for brunettes, blondes in Corvettes,  
Redheads I stop on a dime,  
Now the way I drive it's a wonder  
That I ever get anywhere on time. (Circle Left)  
So don't tailgate my pickup truck,  
Allemande Left, Swing and Promenade  
Now they ain't made the sticker for my bumper, just yet,  
But I brake for brunettes.

### **Figure:**

Well the Heads Square Thru four hands around  
You meet that corner lady Dosado,  
You Touch 1/4 there, Follow Your Neighbor & Spread,  
Explode the Wave then Bend the Line,  
Now Load the Boat moving I sing,  
Then Swing the corner girl and Promenade.  
I brake for brunettes, blondes in Corvettes,  
Redheads I stop on a dime,

### **Tag:**

Swing her twice boys.  
I brake for brunettes,  
I brake for brunettes,

**Note:** Listen to the called version for alternative Break and Closer.
