Carolina In The Pines

Michael Martin Murphey

Opener/Break/Closer: (Circle Left)

She came to me, she said she knew me
And she had known me a long time
Allemande Left your corner then a Dosado and
Allemande Left and Weave the Ring
She spoke of being in love
Swing liitle girl and you all Promenade
And from that night on – I'd write my song
Of Carolina in the pines

Figure:

Heads Square Thru four now
Around your corner Dosado
Swing Thru go then Boy Run Right
Ferris Wheel around,
You Pass Thru, Touch a Quarter, Scoot Back twice
Swing little lady, Promenade
And from that night on, I'd write my song
Of Carolina in the pines
