Step Into Christmas

Recorded by: Elton John

Opener/Break: (Circle Left)

Welcome to my Christmas song, I'd like to thank you for the year
Allemande Left the corner and Dosado
Allemande Left again and Weave the Ring
So I'm sending you this Christmas card, Swing & Promenade the way
To say it's nice to have you here, Oh! Step into Christmas with me

Additional Lyrics:

Take care in all you do next year, and keep smiling through the days
I'd like to sing about all the things
Your eyes and mind can see, Oh! Step into Christmas with me

Figure:

Heads Square Thru four hands around
Dosado the your corner girl
Swing Thru you do – then the Boys Run Right and Ferris Wheel
Centers Right & Left Thru
Square Thru go now 3 quarters 'round
Swing your little corner girl and Promenade along
Step into Christmas dance close together
We can watch the snow fall forever

Ending: (Sides Face Grand Square)

(Music interlude 32 beats)

Allemande Left the corner and Weave along the Ring
Step into Christmas dance close together
We can watch the snow fall for ever and ever
Heap it and leave it, come along with me
Step into Christmas the admission's free
