Handy Man

Opener/Break/Closer: (Sides Face Grand Square)

Hey, Girls

Gather 'round because of what I'm putting down
Hey, Baby. I'm your handy man (Circle to the Left)
I'm not the kind to use a pencil or rule
Left Allemande and then you Promenade the ring
I fix broken hearts,
I know I really can.

Figure:

Heads Square Thru four hands you go
Around the corner lady Dosado
Swing Thru and then the Boys Run Right,
Half Tag – Scoot Back - the Boys Run Right
Well you Slide Thru and then the corner you Swing
You take her hand and Promenade the ring
I fix broken hearts,
I know I really can.

Tag:

Swing her,
I fix broken hearts,
I know I really can.

Note: To give dancers more time you can leave of the Dosado.
