I My Hate Myself In The Morning

Opener/Break/Closer:

Four Ladies Chain now, you Rollaway and Circle Left go round
Four Ladies Rollaway Circle to Left and then
Left Allemande Weave The Ring
I been wondering maybe
You've been thinking about me
Swing the girl around and Promenade
I may hate myself in the morning
But I'm gonna love you tonight.

Figure:

Here's where those Heads Square Thru and get me Four hands you know
With the Sides you make a Right Hand Star
Heads Star Left travel one full turn,
Same two go Right & Left Thru and then
Swing Thru and then well you'll Swing Thru again,
Swing the corner girl and Promenade
I may hate myself in the morning
But I'm gonna love you tonight.

Tag: (Swing her boys)

I may hate myself in the morning
But I'm gonna love you tonight.
