Hearts Don't' Forget Something Like That

Opener: (Circle Left)

Labor Day weekend, I was seventeen,
I bought a coke and some gasoline,
I drove out to the country fair! (Allemande Left and Weave)
When I saw her for the first time, standing in the ticket line,
Swing your girl and Promenade!
She had a suntan line and red lipstick, I worked so hard for that first kiss!
And a heart don't forget something like that.

Figure:

Heads Square Thru four hands you go, all the way around you know,
Find your corner make an Ocean Wave, Swing Thru,
Boys Run Right and then Ferris Wheel to the middle my friend,
The Center two Pass Thru, Swing your corner and Promenade!
Had a barbecue stain on my white tee shirt! She was killing me in that mini-skirt!
And hearts don't forget something like that!

Break: (Sides Face Grand Square)

[Instrumental break: 4 measures]

Like an old photograph, time can make a feeling fade,
But the memory of that first love, (Allemande Left and Weave)
She had a suntan line and red lipstick, Swing your girl and Promenade the set!
'Cause hearts don't forget something like that!

Closer: (Circle Left)

It was five years in a southbound plane! Headin' down to New Orleans,
To meet some friends for Mardi Gras! (Allemande Left and Weave)
She said I bet you don't remember me, I said only in very other memory,
Swing your girl and Promenade,
She had a suntan line and red lipstick, I worked so hard for that first kiss!
And a heart don't forget!
