The Sun Always Shines When It Rains

Opener/Break/Closer:

Four Ladies Chain across that ring now,
Rollaway and Circle Left go 'round,
Four Ladies Rollaway and Circle Left and then,
Allemande Left the corner and Weave the Ring,
Shine on me, baby,
Swing this girl and Promenade,
I'll be the man you can lean ... on 'cause,
The sun always shines when it rains.

Figure:

Heads Promenade and go Halfway,
Down the middle and Square Thru go four,
Four hands and then why don't you Swing Thru my friend,
Boys Run Right and Ferris wheel,
Square Thru Three hands around the ring go,
Swing the corner girl and Promenade,
I'll be the man you can lean ... on,
'Cause the sun always shines when it rains.
