## Everything Changes

### **Opener:** (Sides Face Grand Square)

The spring rain was falling when you left me,  
The dying breath of winter sent a chill through me, (Circle Left)  
But soon the summer sun came shining through,  
Allemande Left, Promenade  
Everything changes but my love for you.

### **Figure:**

And now the Heads Square Thru four hands you go,  
Around that corner lady do a Dosado,  
Swing Thru then Spin the Top,  
Boys move up with a Right & Left Thru turn the girl,  
Square Thru Three quarters around,  
Why don't you Swing the corner girl and you Promenade,  
I'll try to turn the right to day, Make flowers bloom along the way.

### **Break:** (Sides Face Grand Square)

In time color faded from all the trees,  
Flowers wilted like the love you had for me, (Circle Left)  
Leaves lay there dying in the morning dew,  
Allemande Left, Promenade  
Everything changes but my love for you.

### **Closer:** (Sides Face Grand Square)

And now I stand in the autumn of my life,  
Winter wind on my face cutting like a knife, (Circle Left)  
The days I have left are but a precious few,  
Allemande Left, Promenade  
Everything changes but my love for you.
