Standing In

Opener/Break/Closer: (Sides Face Grand Square)

Standing in, standing in,
I know I'm not the one you love, I'm just a friend.
I've got the pillow that you cry on,
Allemande Left the corner, Weave the Ring go,
But I'll wait in line until the day you find,
Swing the girl around, Promenade,
I'll be standing in, standing in your door.
* (Now here's where we're gonna get right)

Alternate Lyrics:

* (Now listen to this part, child)
* (Now let's get down to business)

Figure:

Those Heads Promenade go just Halfway 'round now,
Down the middle Square Thru count four hands and then,
Four hands and then you Swing Thru my friend,
Boys Run Right, and Ferris Wheel,
Centers Square Thru Three hands around the ring,
Swing the corner girl and Promenade,
I'll be standing in, standing in your door.
