Suspicious Minds

Opener: (Sides Face Grand Square)

We're caught in a trap,
I can't walk out
Because I love you too much baby,
Allemande Left & Weave
Here we go again,
Swing and Promenade,
Can't you see these tears are real I'm crying.

Figure:

Heads Square Thru,
To your corner Dosado,
Swing Thru now Spin your Top,
Boys Move up and do the Right & Left Thru,
Square Thru, go Three,
Take your corner, Promenade,
Can't you see these tears are real I'm crying

Break/Closer: (Sides Face Grand Square)

We can't go on together, with suspicious minds,
And we can't build our dreams on suspicious minds,
Allemande Left & Weave,
Here we go again,
Swing and Promenade,
Can't you see these tears are real I'm crying
