## Hooray For Hazel

### **Opener/Break/Closer:** (Sides Face Grand Square)

Hooray for Hazel, she puts me down,  
Hooray for Hazel, she made me her clown,  
Hooray for Hazel, she's up to her tricks,  
Allemande Left that corner and Weave the Ring,  
Hazel's been in love with many a guy,  
Swing your girl around and Promenade her I cry,  
Hooray for Hazel, I'm not on her list.  
I'm just a fool that couldn't resist.

### **Figure:**

Heads Promenade go Halfway around,  
Down the middle and Square Thru four hands and go,  
Four hands and then Swing Thru my friend,  
Boys Run Right and Ferris Wheel tonight,  
Square Thru Three hands and the corner you Swing,  
Swing that girl around and Promenade I sing,  
Hooray for Hazel, she still gets her way,  
But there's a time a coming we'll be able to say.
