A Bottle Of Rum And My Old Six String

Opener: (Sides Face Grand Square)

I love the ocean breeze, tall palm trees,
In bright sunshine,
A pretty island lady, flowers in her hair,
And her hand in mine (Allemande Left and Weave)
A place where we can go and watch the golden sun go down,
(Promenade)
With a bottle of rum and my old six string.

Figure:

Here's where those Heads Square Thru four hands around you go,
'Round the corner lady Dosado,
Swing Thru tonight, the Boys Run to the Right,
Bend the Line and then go Right & Left Thru,
Flutter Wheel and then when you're through Slide Thru,
Swing corner girl and Promenade
With a bottle of rum and my old six string.

Break:

Four Ladies Chain Rollaway and Circle Left,
Four Ladies Rollaway Circle Left and then,
Allemande Left that corner Weave the Ring,
I think I'll go on down to where the music is playing,
(Promenade)
With a bottle of rum and my old six string.

Closer: (Sides Face Grand Square)

Hand me rum and cola, and my old six string,
Pull up a chair from anywhere and let the island sing,
(Allemande Left and Weave)
Play me a song about the winds and waves and the swaying coconut trees,
(Promenade)
With a bottle of rum and my old six string.

Tag: (Swing her now)

With a bottle of rum and my old six string.
