## County Fair

### Opener: (Circle Left)

Been workin' like a dawg, slavin' on the fence line,  
Stretchin' those wires tight,  
Walk Around your Corner – See Saw your own,  
Left Allemande and Weave,  
I got a date with a girl – a perdy rancher's daughter,  
Swing your partner round – Promenade,  
Gonna pick her up at eight after some soap and water,  
And we're headin' to the county fair.

### Figure:

Heads Promenade travel Halfway around,  
Walk in Pass the Ocean then – Extend,  
Recyle 'round – Sweep One Quarter more,  
Right & Left Thru turn that maid,  
Touch One Quarter here - Girls Run Right,  
Swing your corner 'round – Promenade,  
Way up in the sky with the stars in her eyes,  
I'm gonna tell her just how I feel.

### Break/Closer: (Sides Face Grand Square)

Well there's a full moon in the western sky,  
And there's magic in the air,  
Ain't nothin' I know of can make you fall in love,  
Like a night at the county fair,  
All four ladies promenade go one time,  
Swing your partner 'round – Promenade,  
'Cause that perdy little girl says she's gonna be all mine,  
I'm gonna see her next Friday night.
