I Fought The Law

Opener/Break/Closer:

Four Ladies Chain Across that Square,
You Turn This Girl And Chain Her Home From There,
All Join Hands And You Circle Left In A Ring,
Left Allemande and then Weave the Ring,
* I left my baby and I feel so bad,
Swing Your Partner Promenade Like That,
Well she's the best girl I ever had,
I fought the law and the law won.

Additional Lyrics:

* I needed money 'cause I had none,
* Robbing people with a six gun,
* I miss my baby and good fun,

Figure:

Heads Promenade and travel Halfway around,
Walk in and Pass Thru Cloverleaf and now,
The Sides Square Thru 3 hands and then,
Everybody Pass Thru, Trade by my friend,
Touch $\frac{1}{4}$, then Scout Back and go,
Swing the corner girl and Promenade her you know,
Well she's the best girl I ever had,
I fought the law and the law won.
