Born To Lose

Opener/Break/Closer: (Circle Left)

* Born to lose I've lived my life in vain,
Men Star Right one time around and then,
Allemande Left and Weave,
** All my life I've always been so blue,
Swing your girl and Promenade,
Born to lose and now I'm losing you.

Alternate Lyrics:

* Born to lose it seems so hard to bear,
** You've grown tired and no longer care for me.

* Born to lose my every hope is gone,
** You were all the happiness I knew.

Figure:

Heads Square Thru 4 hands around and go, DoSaDo,
Swing Thru, Boys Run Right and then, Half Tag,
Split Circulate 2 times,
Your Corner Swing and Promenade,
Born to lose and now I'm losing you.

Tag:
