## Country As A Boy Can Be

### **Opener/:** (Sides Face Grand Square)

Well I picked a little cotton and I shelled a lot of black-eyed peas,  
Shucked a lot of corn and ate my weight in government cheese,  
(Allemande Left & Weave that old ring),  
I was raised on a farm, got my firs' whipping in a barn,  
Swing your girl and Promenade,  
I'm a country boy and I'm as country as a boy can be.

### **Figure:**

Heads you Promenade Halfway 'round and then,  
Square Thru Four, well you Swing Thru,  
The Boys Right Right and Ferris Wheel,  
And now the Centers Square Thru count 'em Three Quarters 'round,  
Swing the corner girl, Promenade,  
I'm a country boy and I'm as country as a boy can be.

### **Break/Closer:** (Sides Face Grand Square)

Yes, I'm a country boy and I'm as country as a boy can be,  
I love my TNN, I got to have my CMT, (Allemande Left & Weave),  
Well I read my good Book, got my mama's good looks,  
Swing your girl and Promenade,  
(Alternate lyrics: And daddy's still a hero to me,)  
I'm a country boy and I'm as country as a boy can be.
