The Best Day

Opener/Break/Closer: (Sides Face Grand Square)

Dad, this could be,
The best day of my life,
I've been dreamin' day and night about the fun we'll have,
(Allemande Left and Weave)
Just me and you,
Now you Swing your girl and Promenade,
I'm the luckiest boy alive,
This is the best day of my life,

Figure:

Heads/Sides Square Thru go four hands around
Sides/Heads face Grand Square all the way
Heads/Sides Separate around one – come down the middle - Pass Thru –
Separate around one again
Then the Heads/Sides Square Thru in the middle three hands
Swing your corner there - Promenade

(Figures 1 & 3)

As we turned off on that old dirt road,
He looked at me and swore

(Figures 2 & 4)

We worked nights on end 'til it was new again
And as he sat behind the wheel - Sides Face Grand Square
