Say You'll Be Mine

Opener/Break/Closer:

Four Ladies Chain – across that ol' ring
You join your hands - Circle Left – get moving I sing
Allemande Left - Alamo Style - Balance Out & In you're going to
Swing Thru and then – Turn your Partner Right
Left Allemande – come home and Swing
You keep this girl and now - Promenade that ring
It's not hard to do - just tell me you feel it too
Baby it's time - say you'll be mine

Figure:

Head couples Square Thru – be sure to count 'em four
Find the corner waiting there – Touch a Quarter
Split Circulate – Scoot Back girls you go
Walk & Dodge – do a Partner Trade
Square Thru go - three quarters 'round that ring
Swing your Corner - Promenade 'em 'round I sing
* Don't hesitate - 'Cause I can't control my feelings
Just can't wait - Now I know where this is leadin'

Alternate Words:

* An' step by step - I can feel how close we're getting
Can't stop yet - 'cause I know where this is headin'
