## Too Many Broken Hearts

### Opener/Break/Closer:

Four Ladies Promenade inside,  
Get back home and Swing,  
Join hands and Circle Left around,  
Allemande Left and Weave The Ring,  
You give me one good reason to leave me,  
Swing your girl Promenade to stay,  
\*You're the only one I believe in,  
I'll be hurt, I'll be hurt if you walked away.

\*It ain't my pride but my love that is stronger,

### Figure:

Heads Square Thru go 4 now,  
Dosado make a wave for me,  
Swing Thru, now Boy Run Right,  
Chain Down the Line, Right & Left Thru for you,  
Pass The Ocean, Girls Trade, Recycle,  
Swing Corner and Promenade home,  
Too many broken hearts in the world,  
So I won't give up the fight for you.

### Tag: (Circle Left)

Too many broken hearts in the world,  
There's too many dreams can be broken in two,  
Too many broken hearts in the world,  
So I won't give up the fight for you.
