We're Supposed To Do That Now And Then

Opener: (Circle Left)

We had a silly quarrel over nothin',
Men Star Right one time around,
Allemande Left and Weave the Ring,
But we made up like we always do,
Swing, Promenade I love you,
And we're supposed to do that now and then.

Figure:

Heads Promenade go Halfway, walk in Square Thru,
Four hands then do a Right & Left Thru, Veer Left,
Couples Circulate, Chain Down the Line, Square Thru 3,
Swing corner girl, Promenade, you see,
And we're supposed to do that now and then.

Break/Closer: (Heads/Sides Face Grand Square Halfway)

We'll have our little up's and downs,
But we both now how it ends,
Allemande Left and Weave the ring,
We spend the night fallin' in love all over again, Promenade,
We're supposed to do that now and then.
