Why Did You Choose Me

Words and music by Jim Kline

Introduction:

Instrumental (8 measures)

Verse 1:

I don't know what you see in me. All my faults plain as can be.
None of these you seem to see. Why did you choose me?

Verse 2:

Every day I gaze at you, And wonder just how you knew,
That we would make a perfect two. You are a dream come true.

Chorus:

My heart is full with eternal with love, You are my best friend sent from above.
You make me feel like no other does. I'm happy now just because.

Verse 3:

Why do all the days go by so fast? My love for you will always last.
I'm as blessed as I can be. Why did you choose me?

Verse 4:

Instrumental (8 measures)

Chorus:

My heart is full with eternal with love. You are my best friend sent from above.
You make me feel like no other does. I'm happy now just because.

Verse 4:

Why do all the days go by so fast? My love for you will always last.
