So Long To The Red River Valley

Sons of the Pioneers (1956)

Opener: (Circle Left)

So long to the Red River Valley,
Our riding and wrangling days are thru
Left Allemande that corner, come back a Dosado
Left Allemande and Weave the ring
Goodbye to the old empty bunkhouse
Swing the girl and Promenade
Just send me my mail to the end of the trail
So long to the Red River Valley

Figure:

Heads Promenade and go half way
Down the middle and Pass the Ocean then Extend
Recycle round and Sweep a Quarter
Right and Left Thru and turn the lady
Square Thru and go Three Hands around now
Swing the Corner and you Promenade
Just send my mail to the end of the trail
So long to the Red River Valley

Break/Closer:

Four ladies Chain across that ring now
You turn and Chain the Ladies right back home
Circle Left around the ring you go now
Left Allemande and Weave the ring
Goodbye to the old empty bunkhouse
Swing the girl and Promenade
Just send me my mail to the end of the trail
So long to the Red River Valley
