Wyoming Girl

Chris LeDoux; Life As A Rodeo Man, Track 6 (1975)

Opener/Break/Closer: (Circle Left)

* I saw her for the first time when the snow was falling down,
And Lord she was the cutest thing I've seen,
Left Allemande your Corner – Turn your Partner Right,
Left Allemande and Weave around the Ring,
You can sing about your sweet Jolie Blond,
Swing your girl around – Promenade her home,
(*You can sing about them pretty girls down in Tennessee*),
You can sing your song about that Yellow Rose of Texas,
That Wyoming girl's the only one for me.

Figure:

Head two couples Promenade - Halfway 'round that Ring,
Down the middle - Square Thru count me four,
All the way and then - do a Right & Left Thru,
Veer Left – Couples Circulate (Half Tag),
Scoot Back – Scoot Back again,
Swing that Corner girl – Promenade my friend,
You can sing your song about that Yellow Rose of Texas,
That Wyoming girl's the only one for me.

Tag:

And I thank you Lord for making her my wife.

Additional Lyrics:

* I've been around this big country,
And I've seen a lot of women in my time,

* There ain't no girl sweeter or there ain't no better one,
Than this - little gal that I call mine,
