When It's Christmas Time In Texas

*Written by: Benny McArthur; Recorded by: George Strait
Album: Merry Christmas Strait To You (1996)*

Opener: (Circle Left)

When it's Christmas time in Texas
It's a very special time for me
The Men Star Right – travel one time 'round tonight
Left Allemande and Weave around that Ring
When it's Christmas time in Texas
Swing that girl around and Promenade
There may not be snow in San Antonio
But it's a Texas Christmas to me

Figure:

Now the Heads Promenade go halfway
Down the middle Square Thru count me four
Go all the way and then – do a Right & Left Thru my friend
Veer to the Left and Ferris Wheel
You Square Thru - count me three hands
Swing you Corner lady - Promenade
There may not be snow in San Antonio
But it's a Texas Christmas to me

Break/Closer: (Sides Face Grand Square)

When Santa crosses over the border
He'll sound a little different when he sings
He'll hear those twin fiddles playin'
Christmas songs with a touch of western swing (Circle Left)
When it's Christmas time in Texas
Left Allemande – Swing and Promenade
There may not be snow in San Antonio
But it's a Texas Christmas to me

Tag:

And here's wishing you all a Merry Christmas
