Heaven Says Hello

Recorded by Sonny James

Opener/Break/Closer: (Sides Face Grand Square)

Heaven says hello, every morning,
When the sun says hi I've come to spend the day.
Allemande Left and Weave the ring
Heaven says hello with the songbirds,
And the little flowers that nod along my way,

Figure:

Heads (sides) promenade halfway 'round
Walk in square thru four hands
All the way then a DoSaDo
Swing thru and then swing thru again, All eight circulate
Swing you corner and then you all promenade
And I look into The blue of your eyes.

Break: (Sides Face Grand Square)

And when the day is through and I hurry home to you
As the twilight steals across the golden skies.
Allemande left and weave
Heaven says Hello when you kiss me
And I look into the blue of your eyes.

Closer: (Sides Face Grand Square)

Heaven says Hello every morning,
When the sun says hi I've come to spend the day.
Allemande Left and Weave
Heaven says hello when you kiss me,
And I look into the blue of your eyes.

Tag: And I look into the blue of your eyes.
