Country Star

Chris LeDoux, Western Tunesmith (1980)

Opener/Break/Closer: (Sides Face Grand Square)

Yes I'm gonna be a country star
And everyone will know my name
Oh you know I love those bright lights
When I step on stage to sing
Four Ladies Chain across the ring now
You Chain Them Home and Promenade
So just keep the home fires burnin' while I'm gone
I'll get home when I can

Figure:

Heads you Promenade go Halfway
Down the middle Square Thru Four
All the way then Swing Thru
Boys Run Right and Ferris Wheel
Centers Square Thru count Three hands
Swing your corner - Promenade
So it's gonna be a while
Till I can come back home

Tag:

Yes I think that it's about time this country boy
Went back home

Additional Lyrics:

Yes I know that you're a country star and everybody knows your name
And I know you love those bright lights when you step on stage to sing
We'll just keep the home fires burnin' while you're gone
You know we pray for you each night

I don't want to be a country star it ain't the way I thought it'd be
Well it took me such a long time to know it ain't the life for me
Lord I think it's about time this country star
Went back home
