Are You Tired Of Me My Darling

A.P. Carter, Maybelle Carter, Sara Carter (1935)

Opener: (Grand Square)

Are you tired of me my darling
Did you mean those words you said
When you spoke in fond affection
On the day that we were wed
Girls you Promenade go inside
Swing your Partner Promenade,
Are you tired of me my darling
Answer only with your eyes

Figure:

Now the Heads/Sides you Promenade go halfway
Down the middle do a Right & Left Thru
Then you Square Thru and count me Four hands
Do-sado the outside two (make a Wave)
Recycle, Sweep one Quarter more there
Slide Thru, you Swing and Promenade
Are you tired of me my darling
Answer only with your eyes

Middle Break: (Grand Square)

(8 Measures Instrumental)

Girls you Promenade go inside
Swing your Partner Promenade,
Are you tired of me my darling
Answer only with your eyes

Closer: (Grand Square)

Did you ever rue the springtime
When we first each other met
And you told me that you'd love me
Words my heart can n'er forget
Girls you Promenade go inside
Swing your Partner Promenade,
Are you tired of me my darling
Answer only with your eyes
