**Opener:** (Grand Square)

I hear the bells, they're ringing loud and clear  
You can't help but love this time of year  
It's Christmastime, there's something in the air  
There's a little bit of heaven (Allemande Left and Weave the Ring)  
It's the smile on a man who has finally found hope  
Swing your girl and Promenade her back home  
It's the joy that we feel and the love that we share  
There's a little bit of heaven everywhere

**Figure:**

H(S) Box the Gnat... and Pass Thru...  
Separate go 'round 1 to a Line... go Forward & Back  
And a Right & Left Thru and turn... with a Half Sashay...  
Now Box the Gnat...  
Square Thru go 3 hands around... find your corner and Swing  
Swing the girl around and Promenade around the ring...  
It's the joy that we feel and the love that we share  
There's a little bit of heaven everywhere

**Break:** (Grand Square)

*(Common Time)* Angels we have heard on high / Sweetly singing o'er the plain  
And the mountains in reply / Echoing... Allemande Left and Weave the Ring  
*(Shuffle Style)* Hallelu – jah  
Hallelu-jah (Now you Swing, Promenade)  
It's the joy that we feel and the love that we share  
There's a little bit of heaven everywhere

**Closer:** (Grand Square)

It's funny how it takes a holiday / To show us how the world could truly change  
If we all took the time to really care / There'd be a little bit of heaven ...  
(Allemande Left and Weave the Ring )  
It's the grace that we show to a world that needs hope  
(It's giving our lives knowing they're not our own)  
You swing that one, Promenade back home  
It's the joy that we feel and the love that we share  
There's a little bit of heaven everywhere

**Tag:** (Give her a Swing)

There's a little bit of heaven everywhere

*(Common Time)* Angels we have heard on high / Sweetly singing o'er the plain
