It's America

Written by: Brett James & Angelo Petraglia
Recorded by: Rodney Atkins

Introduction:

(8 Measures Instrumental)

Opener/Break/Closer: (Grand Square)

It's a high school prom, it's a Springsteen song,
It's a ride in a Chevrolet.
It's a man on the moon and fireflies in June,
And kids selling lemonade.
The Four Ladies Chain across that ring,
You Chain 'em back and Promenade,
It's America.

Figure:

Heads you Promenade Halfway 'round
Lead Right and Circle To A Line,
Go Up & Back then a Right & Left Thru,
You Square Thru count 'em four,
Go all the way then Trade By there,
Left Allemande come back, Promenade
I was thinking to myself
I'm glad I live (in America)
