## Rockin' In The Camper Tonight

Words & Music by Jim Kline & Crystal Creek Band (2020)

### **Opener/Break/Closer:** (Circle Left)

Been five days, now the weekend's here,  
Time to take a break,  
Men Star Right travel one time around,  
Left Allemande and Weave that ol' Ring,  
After we enjoy the campfire glow,  
Swing that girl, Promenade,  
Under the stars where the wind does blow,  
We'll be rockin' in the camper tonight.

### **Figure:**

Heads Square Thru and you count me four  
That corner you Dosado,  
Spin Chain Thru, Girls Circulate Two,  
Go two spots then Turn Thru  
Allemande Left, Walk by your own,  
Swing the Right Hand Lady, Promenade,  
Under the stars where the wind does blow,  
We'll be rockin' in the camper tonight.

### **Tag:**

Under the stars where the wind does blow,  
We'll be rockin' in the camper tonight.

### **Additional Lyrics:**

All set up, light the kerosene lamp  
Ready for the weekend night.

Sit by the fire of burning pine,  
Sing and tell tall tales.
