### OPENER, BREAK, ENDING:

Four little ladies chain, straight across that ring  
You turn the girl and chain'em home again  
Join your hands and circle to the left go wakin' 'round  
Do an allemande left with the corner, weave the ring  
Wind in and out around, hey when you meet your lady  
Swing that girl, your promenade.  
Miss you when its morning, Oh I miss you when it's midnight  
Gosh, I miss you all the time.

### FIGURE:

One and three (two and four) you promenade, half way 'round the ring I say  
Down the middle and square thru, you go four  
Go all the way and then, do the right and left thru my friend  
Veer to the left and you ferris wheel and then  
Center four, square thru three quarter, now the corner lady swing,  
Swing the girl around and you promenade.  
Miss you when its morning, Oh I miss you when its midnight  
Gosh, I miss you all the time.
