

Tiny Bubbles (Tarheel 109) Reggie Kniphfer

OPENER - MIDDLE BREAK - ENDING

**Four little ladies chain across the ring
And now you chain 'em back home again
Join hands and you circle left my friend
Left allemande the corner, weave the ring
Well here's to the golden moon and here's to the silvery sea
Swing that girl around and you promenade
Tiny bubbles make me warm all over
With a feeling I'm gonna love ya 'til the end of time**

FIGURE

**Heads promenade halfway around
Go right and left thru, turn 'em on around
Flutter wheel, well now you sweep 1/4 more
Pass thru, then do a right and left thru
Why don't you swing thru 2 times, keep moving down the line
Swing that corner girl and you promenade
Tiny bubbles, make me warm all over
With a feeling I'm gonna love ya 'til the end of time**

TAG: Swing 'em boys

Got a feeling I'm gonna love ya 'til the end of time
