

TAR116 I Had A Beautiful Time Reggie Kniphfer

OPENER - MIDDLE BREAK - ENDING

Side Face Grand Square

**We meet downtown, on a dance floor
Both of us needing a friend
You brought me home, to your doorstep
It was there, you invited me in
Allemande left and Weave
We spent the wee hours, dancing
You dosado and promenade
You were a beautiful lady, and I had a beautiful time**

FIGURE

**Those heads square thru 4 hands around you go
Around your corner you dosado
You swing thru and then, hey boys run to the right
Chain down the line, is what you do
Come on and slide thru, touch 1/4, scoot back
You swing that girl and promenade
You were a beautiful lady, and I had a beautiful time**

TAG: Swing her

And I had a beautiful time
